

JESUS FOLLOWS GOD'S WILL

To complete the picture, color Jesus and John the Baptist. From the inside back cover of this book, cut out the figure of the *Dove*. Punch out the holes indicated on the *Dove* and on the picture. Cut a 7-inch piece of yarn. Thread the *Dove* onto the yarn, then thread the yarn ends through the holes on the page. Tape the yarn ends securely to the back of the page. Gently slide the *Dove* up and down the piece of yarn.

WHAT'S WRONG WITH THIS PICTURE?

DEAR PARENT,

Today we heard a Bible story about Jesus' **PATIENCE** as He waited on God's timing.

After His baptism, Jesus spent forty days in the wilderness, waiting for God to lead Him and trusting God even when He was hungry and tempted. Later, at a wedding, His mother wanted Jesus to use His power to help the family who was holding the wedding. Jesus knew it was not the right time to show His power publicly. Instead, He quietly turned water into wine, patiently following God's timing.

This story reminds us that Jesus trusted God's timing in every situation. Jesus is our perfect example of **PATIENCE**.

DEAR PARENT,

Today we heard a Bible story about Jesus' **FAITHFULNESS** as He followed God's will.

Though sinless, Jesus allowed John the Baptist to baptize Him, because He wanted to. Jesus was faithful to follow God's will. God was pleased and sent a dove to rest on Him.

Then He went into the wilderness, where He patiently waited for forty days. When He was tempted to turn stones into bread, Jesus stayed faithful and used God's Word to resist.

This story reminds us that Jesus always obeyed God's plan, even when it was hard. Jesus is our perfect example of **FAITHFULNESS**.
